## deugro Appoints New Chief Commercial Officer

**Hanau, Germany, July 1, 2024 – deugro appoints Dominik Stehle as new Chief Commercial Officer (CCO)**

Dominik Stehle is a renowned expert in the logistics industry, bringing a wealth of knowledge and experience that will be instrumental in advancing deugro's global activities. He returns to deugro, where he worked for close to a decade, before holding executive management positions in the heavy lift shipping industry.

In his new role, Dominik will report directly to the Co-CEO, ensuring a unified strategy and vision across deugro's commercial operations. His expertise will be pivotal in enhancing deugro's service offerings, driving growth, and reinforcing deugro's position as a leader in the industry.

"I am extremely pleased and excited to announce that Dominik will rejoin deugro as the Chief Commercial Officer (CCO). Dominik is not only familiar with our organization's culture and operations but also brings a wealth of fresh ideas and perspectives from his experiences gained in the heavy lift shipping industry. We are confident that his unique blend of insider knowledge and external insights will be instrumental in driving our company forward. Welcome back, Dominik", says Thomas C. Press, owner of deugro.

Dominik had this to say as he returns to deugro: "After having gained new perspectives on the market from outside the company, I look very much forward to rejoining the deugro team and contributing to the development and future success of a true and long-term market leader in the project logistics space. I am passionate about creating solutions and value for clients, as well as fostering the strong team spirit deugro is known for. Furthermore, I'm very happy to be joining an outstanding executive management team who I have known and respected for many years. Together, we will propel deugro to new heights of excellence and success."

deugro looks forward to the innovation and leadership he will bring to the company when he formally joins at beginning of Q4 this year.

## About deugro

deugro is a highly specialized freight forwarder with a strong focus on turnkey logistics solutions for industrial projects. We have a proven track record in successfully executing projects of any magnitude, even under the most challenging conditions and requirements.

deugro focuses wholly on identifying and solving clients' specific needs with unique tailor-made solutions that fulfill all requirements. To deliver the best in both cost and performance, deugro serves as an extension of its clients in their respective supply chains. It provides ocean and inland waterway freight services, road and rail transportation as well as airfreight to almost any destination.

Thanks to a vast network of more than 70 company-owned offices in over 40 countries, deugro leverages comprehensive and in-depth expertise around the world to deliver on its promise. Clients benefit from global coverage and local expertise at every major industrial hub.

deugro was founded in 1924 in Frankfurt am Main, Germany and is a family-owned enterprise in its third generation, with nearly a century of experience in the logistics industry. Today, deugro is an independent company of the deugro group, which is comprised of several companies focusing on project freight forwarding, ocean transportation of heavy lift and project cargo, transport and marine engineering as well as specialized transportation assets.
